Dear Ms. Thompson:

Attached is the final report on the Solutions Forum sponsored by the Kansas Department on Aging on July 13, 2005 at the Ramada Inn, Topeka, Kansas. Also attached are copies of the testimonies provided by the various speakers. These documents are also being emailed to your staff along with photographs of the event.

I am meeting with the Kansas delegates to discuss our issues and priorities in preparation for the December meeting. We are honored to have the privilege of representing Kansas seniors. If you need further information or clarification on our report, please let me know.

Sincerely,
